

EXPERIENCE THE ALL-NEW
MG55 EV
BEST-IN-CLASS DRIVING DYNAMICS

FOR THE JOY OF THE DRIVE

Nearly a century ago, MG was built for the thrill of the drive. From British motorsport roots to everyday legends, MG has always delivered more: more passion, more connection, more drive. That legacy now lives on in a new era, redefined with electric performance, refined design, and smart tech that makes every drive a story worth telling.

A DRIVE LIKE NO OTHER

More to love, more to experience. The MG55 EV combines MG's heritage of sporty innovation with the power of electric driving. Best-in-class driving dynamics and fast-charging capabilities mean more freedom to explore, while rear-wheel drive and superior handling make every drive feel effortless. This isn't just an EV but an MG, giving you more reasons to fall in love with the road.

THE ART OF EFFORTLESS MOTION

The MG5 EV isn't just quick, it's beautifully balanced. Rear-wheel drive and near-perfect weight distribution (47:53) make every turn feel more sporty, smooth and effortless. With 170PS (125kW) and 250Nm of torque, it's agile when you want it and responsive when you need it. Just the way driving should feel.

MORE SMART, MORE MILES

With an outstanding 430km* range, the MGS5 EV gives you the freedom to explore without limits. The horizontal battery layout is smarter: improving heat dispersion, reducing cell expansion, and frees up space for longer life, better safety, and a roomier interior. Meanwhile, fast charging technology takes you from 10% to 80% in just 26 minutes. Wherever the road leads, the MGS5 EV ensures you're always powered up and ready to go.

MORE SPORTY, MORE STYLISH

The MGS5 EV's design speaks without saying a word. The Wind Hunter Active Intake Grille and Racing Flag Themed DRL Headlights create a bold first impression, while the sculpted bodywork and sporty stance reflect MG's heritage of performance. The MG Family Arch Taillight leaves a signature glow as you drive away, and 18" Alloy Wheels ground the design in style. The Panoramic Sunroof* opens up the cabin to the sky, making every drive feel that much more limitless. Timeless design, unmistakably MG.

MORE SOPHISTICATED, MORE CONNECTED

Step inside the MGS5 EV and you'll forget it's an EV; because it feels like a sanctuary. Hidden Breeze-Feel Air Vents keep things sleek, seamless and more sophisticated, while the MG EV Rotary Gear Knob and 3-Spoke Steering Wheel put full control in your hands. Leather-fabric seats with MG's signature perforated pattern bring a layer of refined comfort, and with wireless charging and infotainment right at your fingertips, all you need to do is settle in and enjoy the ride.

MORE SPACE, MORE POSSIBILITIES

With up to 38 clever storage spaces and 60:40 folding rear seats, the MG5 EV is designed to fit your lifestyle. The boot expands up to a generous 1441 litres of boot space, giving you more space for weekend gear and everyday essentials. Plus, the hands-free power tailgate makes loading and unloading effortless, because convenience should come standard.

MORE SAFE, MORE SECURE

The MG55 EV doesn't just think fast, it thinks safe. Features like Autonomous Emergency Braking (AEB), Lane Keep Assist (LKA), Rear Cross Traffic Alert (RCTA), Drowsiness Monitor System (DMS), and Door Opening Warning (DOW) provide more safety and protection in tricky situations. Seven airbags, including a centre airbag, protect you from all angles. Finally, add a reinforced chassis and advanced braking, and you've got peace of mind.

YOUR SMARTEST DRIVE

The MGS5 EV puts control at your fingertips, literally. The 12.8" Central Control Screen and 10.25" Instrument Cluster give you everything you need at a glance, while MG iSMART keeps you effortlessly connected to your car - check your battery, find your car, lock and unlock it straight from your phone. Voice control makes it all hands-free, and with Vehicle-To-Load (V2L) tech delivering up to 6kW of power, your car becomes a power source on the go.
